NATIVE AMERICAN BUSINESS ALLIANCE

Our Mission:

To facilitate mutually beneficial relationships between Native American-owned companies and private and public business sectors to educate communities about Native American Culture, *paving the way for future generations.*

The Native American Business Alliance (NABA) promotes Native American businesses – both independently owned and tribally based – to national and international corporations in the United States and Canada.

Join with NABA as we move forward – we are proud to be leaders in building corporate relationships and making a lasting difference in Indian Country.

Native American-owned businesses *can* compete on an equal basis with any business in the private sector.
